

15 Painted Hills Dr.

Nestled in the Dubois Badlands, this 3 bedroom, 2 bath house in the Painted Hills Estates Subdivision was completely refurbished and painted inside and out in 2005-2006. Hardwood floors in living and dining room, new laminate in kitchen, new carpet in bedrooms. New appliances and tile backsplash compliment the generous kitchen cabinet space. Open floor plan with vaulted ceilings. Awesome views of Wind River Mountain Range in rear and the colorful high mountain desert Badlands from the front. Large 12x20 deck is the perfect place to view the changing mountain seasons and wildlife. Subdivision property owners have access to the Wind River. Public lands are just a short walk away. Yellowstone National Park is just 80 miles away. Oversized garage with room for all your shop projects or recreational toys. Adjoining breezeway offers additional space for outdoor living or future expansion.
