

## Long Creek Subdivision

**Unique Long Creek Subdivision** - This is an unbeatable recreational opportunity. 18 miles west of town (milepost 37) you'll find the turn off for Long Creek Road on the Shoshone National Forest. 1.5 miles from the highway is the entrance to a unique 160 acre subdivision with open meadows and treed hillsides bordered on multiple sides by National Forest. Deeded land in this setting is a rare find. Eight half-acre lots are available, and two 1.02 acre lot. The half-acre lots are separated from each other by more than 100 feet, providing a spacious feel. Build your own recreational getaway, or residence. Winter snowmobiling, summer 4 wheeling and hiking will create family memories you'll treasure forever.
