

The Henthorne Place

The Henthorne Place

640 acres of beautiful Wyoming wilderness could be yours. Located in the Absaroka Mountains at the end of Pony Creek Road just 10 miles from Dubois you'll find this large parcel. With state, and BLM land bordering 3 sides, a corner touching forest, and one large private parcel to the east you'll feel like the only person in God's country. Wildlife abounds with deer, elk, moose, bear and more visiting regularly. A rustic cabin, near a spring and creek make it easy to see what a home site this could be! A BLM grazing lease on adjacent land is also included making this an attractive summer grazing possibility. The peace and tranquility of this place are unsurpassed; you have to see it to truly appreciate it. We love to show it.

Offered at \$2,240,000
